Board of Directors  
Villages of Carmel

As part of Premier Communities ongoing commitment to creating the most desirable communities in which to live, a formal inspection of your community was conducted by Premier's Field Supervisor, Hart Dinkins. This inspection was provided at no cost to your community. A summary of his findings are included below:

**Date of inspection: 11/21/2012**

**The landscape at Villages of Carmel has significantly improved since my last inspection. The plant material is receiving adequate horticultural care. Seasonal color is attractive and appears healthy.**

The full report is included on the following pages for your review and has been uploaded to PremierConnect. Your Association Manager will be discussing the results of the inspection at your next Board Meeting and can answer any questions that you may have.

Warm regards,

Stephanie Frazier
